#### Breaking News

Monday, 02 June 2008 marked the breaking of a new dawn for ExecuJet South Africa and Aircraft Instruments where Ettore Poggi, Graeme Duckworth, Nick Fourie and Vince Goncalves (Aircraft Instruments CEO) celebrated the official merging of the two companies.

Aircraft Instruments has been specializing in autopilots, gyroscopes and instrumentation for General Aviation industry since 1984. In 2001 the company started a retrofit division completing various Garmin and Bendix King avionic retrofits. In 2006 Aircraft Instruments scooped the Alliant dealership for the Glass Cockpit retrofits on the King Air 90, King Air 200, Cessna 425 and Cessna 441. ExecuJet already being one of Aircraft Instruments' major customers, the merger was a logical outcome to an already successful and mutually rewarding relationship between the two companies.

ExecuJet welcomes Aircraft Instruments to our staff, and look forward to building a strong and prosperous future together.

## FLYING WITHOUT WINGS

Everybody's looking for something  
One thing that makes it all complete  
You'll find it in the strangest places  
Places you never know it could be

Some find it in the face of their children  
Some find it in their lover's eyes  
Who can deny the joy it brings  
When you've found that special thing  
You're flying without wings

Some find it staring every morning  
Some in their solitary lives  
You'll find it in the words of others  
A simple line can make you laugh or cry

You'll find it in the deepest friendship  
The kind you cherish all your life  
And when you know how much it means  
You've found that special thing  
You're flying without wings

So impossible as it may seem  
You've got to fight for every dream  
Cos who's to know which one you let go  
Would have made you complete

Well, for me it's waking up beside you  
To watch the sunrise on your face  
To know that I can say I love you  
In any given time or place

It's little things that only I know  
Those are the things that make you mine  
And it's like flying without wings  
Cos you're my special thing  
I'm flying without wings

And in this place I long to be  
You'll be where it ends  
I'm flying without wings  
And that's the joy you bring  
I'm flying without wings
